## Erasmus+ Staff Training Week Co-Creating Impact in Higher Education Through European University Alliances

Tallinn University of Technology (TalTech) and the EuroTeQ Alliance invite you to Tallinn, Estonia to discuss best practices and challenges related to international collaboration.

The programme explores how European University Alliances can co-create impact through sustainable, digital and forward-looking approaches to teaching, learning and collaboration.

The preliminary programme will be available in June 2026. The full programme of the event will be available after the participants are selected. **The registration deadline is 22 September 2026.**

APPLY HERE!

Applicants will be informed of the selection results no later than 7 October 2026.

## WHERE?

Tallinn University of Technology, Tallinn, Estonia

## WHEN?

On-site programme: December 1-3, 2026

Tuesday from 10.45 – 20.00, incl. Welcome dinner

Wednesday from 09.30 – 16.30

Thursday from 09.30 – 13.30

## TOPICS

- European values, sustainability
- AI and Digitalisation in Higher Education
- Challenge-based Learning (CBL)
- Joint Courses, Joint Degrees and Joint BIP Courses
- Lifelong Learning and Micro-Credentials
- Cooperation Between Alliances and the Future Development of Alliances

## WHO CAN APPLY?

Administrative and academic staff members from Higher Education Institutions, who work as project managers within their home university's European University Alliances project, who are involved in the project as work package or task leads, or who work within a work package or task.

An active engagement of all participants is expected throughout the Training Week. To guarantee a realisation of the Staff Training Week, a minimum number of 15 participants in total is required.

## FEES

There is no participation fee. Travel and accommodation costs are expected to be covered by the participants or via their home university Erasmus+ scholarship.

## FREE OF CHARGE FOR PARTICIPANTS

- Guided city tour and visit to the Tallinn Christmas Market
- Welcome dinner
- Coffee breaks and light lunches

Co-funded by  
the European Union

If you have any questions, please, feel free to ask.

 Behalf of the Staff Training Week team of TalTech
