

Dear Partner,

Join us at the 2nd International STAFF Week at the School of Economics and Management, which will run from 24 to 28 November 2025, in Florence.

During this week, you will be given the opportunity to know our University and School, to participate in the Study Abroad Fair and to have networking opportunities with colleagues from all over Europe.

The main activity to be performed is the orientation to our Students wishing to do an Erasmus+ mobility, so we are willing to welcome colleagues from IRO offices or experts in Orientation in the area of our Agreement.

All the activities will be held in English, a minimum B2 level is recommended.

Please remember that we can offer a limited number of places and we may limit the number of participants from the same University.

Participation in Staff Week can be funded by Erasmus+ Staff Training grants provided by the home University of a participant.
