

We are delighted to welcome academic and non-academic staff from Higher Education Institutions to join us for the 23rd International Week “**Competences in Higher Education**” – a dynamic event filled with knowledge-sharing, cultural exploration, and global networking.

**Registration** is open till 5 September 2025.

During the week, there will be also the International Conference “Studies–Business–Society: Present and Future Insights X (separate registration is required).

**More information, programme, and registration can be found here:**
