INTERNATIONAL TEACHING WEEK (ITW'2027)

March 1 – 5, 2027

The 19th International Teaching Week at Vilniaus Kolegija / Higher Education Institution (VIKO) will take place in March 1-5, 2027.

International Teaching Weeks at VIKO over years have become one of the most important and inspiring annual international events, which traditionally take place each spring.

The main aim of this event is to invite academic staff from higher education institutions, VIKO partners, in countries all over the world and provide them with opportunity to meet our students and staff in a different academic and cultural context.

The guest teachers are invited to share their best knowledge and experience in the fields of their expertise and give up to 8 academic hours of classes, seminars or workshops.

Are you looking for international teaching experience? Welcome at VIKO!

Our students in the 9 VIKO faculties are waiting for you!
