

Dear Colleagues,

It is our pleasure to invite you to the upcoming International Teaching Week (ITW'2026) which will take place between March 2 – 6, 2026 at Vilniaus Kolegija / Higher Education Institution (VIKO).

International Teaching Weeks have become the biggest and the most awaited annual international event at Vilniaus Kolegija (18th next year!)

Like every year, we are looking forward to hosting guest teachers from our partner institutions, who are welcome to come to VIKO for one week and share best knowledge and experience in their field with the students and academia of the 9 faculties of VIKO, as well as strengthen international collaboration.

Apart from lectures, workshops to our students, meeting with colleagues, an interesting social-cultural programme will be prepared for you to let you get acquainted with our beautiful and vibrant city of Vilnius.
