We cordially invite you to the 3rd International Teaching Week organized by Powiślańska Academy of Applied Sciences, which will take place in November 2026. The International Teaching Week serves as a platform for administrative staff, academics and researchers from various corners of the globe to exchange knowledge, experiences, and perspectives. This dynamic five-day gathering provides unique networking opportunities, collaboration, and learning from one another.

During the event, participants will have the opportunity to take part in diverse sessions, workshops, presentations, and panel discussions led by prominent experts from various fields. This exceptional event attracts each year universities from all over the world, gathering representatives from nearly 30 institutions from 15 different countries. Join us and be one of them!
