We cordially invite you to the 9th International Week organized by Powiślańska Academy of Applied Sciences, which will take place in May 2026. The International Week serves as a platform for students, academics, and researchers from various corners of the globe to exchange knowledge, experiences, and perspectives. This dynamic five-day gathering provides unique networking opportunities, collaboration, and learning from one another.

During the event, participants will have the opportunity to take part in diverse sessions, workshops, presentations, and panel discussions led by prominent experts from various fields. This exceptional event attracts each year universities from all over the world, gathering representatives from nearly 60 institutions from 30 different countries. Join us and be one of them!
