<b>Accommodation:</b>	Accommodation not provided

**Dear Partners,**

We are delighted to invite you to the 20th edition of our International Staff Week organised by **Lublin University of Technology**.

This year, our theme is “**AI & Innovation**”.

During the event, participants will have the opportunity to:

- Attend meetings with AI and innovation specialists from various university departments.
- Take part in the Innowings 2026 International Exhibition of Inventions and Technology (more at: <https://innowings.pl/>)
- Enjoy cultural experiences, including a visit to The Lublin Open Air Village Museum, to discover the rich heritage of our region. (more at: <https://skansen.lublin.pl/en/about-the-museum/>)

This jubilee edition promises an inspiring mix of professional development, networking, and cultural engagement. We would be thrilled to have you join us and share your expertise in this exciting international event.

**Location:** Lublin University of Technology

**Deadline for applications:** 30.04.2026

**Feedback:** 14.05.2026
